Gather and settle. The time from 10:45 to 11:00 am on Sunday is a time for Friends to gather in the meeting room to prepare and settle for worship. Please enter during this time. While we expect silence in the meeting room during that time, we cannot expect silence outside the meeting room until 11:00. However, Friends are reminded that meeting begins at 11:00 and we ask Friends to endeavor to be on time and to please enter the meeting room by 11:00.

Meeting for worship. State College Friends Meeting welcomes you to our silent, “unprogrammed” worship, ideally led by God’s Spirit. We have no designated ministers. A period of about twenty minutes is needed to center down into inward stillness. Spoken messages come from the spiritual depth of our lives and from the leadings of the Spirit. It is wise to ask oneself these questions before rising to speak: is my message from the Spirit, or from some other place? Is the message for me or for the whole group? Is the time to give it now or at some other time? It is best to follow each message with a period of silence in order to absorb what it has to tell us. When a message speaks to the condition of those present, out of the deepest parts of ourselves, and is harmoniously developed and deepened—and not too long—a profound sense of spiritual community may occur among us that freshens and delights. We call this a “gathered” meeting.

Closing meeting for worship. Our time of worship does not necessarily end at noon—it ends when the appointed person, attuned to the spiritual sense of the meeting, recognizes the appropriate moment.
